## Summary of Progress this Report

We had a meeting with Monica from Industrial Design and she helped us better define our goal. We made contact with a student from Industrial Design and looked at what he is working on and discussed how it can relate to our project. We also prepped and delivered our lightning talk.

## Pending Issues

The team needs to make a better effort and visiting with the students of industrial design.

## Plans for Upcoming Reporting Period

Each member plans on visiting industrial design and make additional contacts. We plan to get to know the students better with some basic questions.
